

QUESTION 20 OF 44: NOT ANSWERED

---

A

NO CHANGE

It contains a noun or verb that does not fit the context.

---

B

visitors remarking,

It contains either a noun or verb that does not fit the context.

---

C

visitor remarked,

It contains either a noun or verb that does not fit the context.

---

D

visitor remark,

The article "a" requires the singular noun "visitor," and the simple present verb "remark" is the appropriate verb tense in this context.
