

QUESTION 22 OF 44: NOT ANSWERED

Think about the previous passage as a whole as you answer this question.

To make the passage most logical, paragraph 2 should be placed

---

**A** where it is now.

It proposes a placement of paragraph 2 that prevents the passage from developing in a logical sequence.

---

**B** after paragraph 3.

Paragraph 3 offers an overview of the exhibit and so serves to introduce the specific aspects of particular miniature rooms described in paragraphs 2 and 4.

---

**C** after paragraph 4.

It proposes a placement of paragraph 2 that prevents the passage from developing in a logical sequence.

---

**D** after paragraph 5.

It proposes a placement of paragraph 2 that prevents the passage from developing in a logical sequence.

---
