

QUESTION 28 OF 44: NOT ANSWERED

A NO CHANGE

It accurately reflects the fact that sea urchins "graze voraciously on kelp," as stated in the first paragraph, and it also maintains the tone of the passage.

B dispatch

It offers a term that does not accurately describe the behavior of sea urchins.

C overindulge on

It offers a term that does not accurately describe the behavior of sea urchins.

D dispose of

It offers a term that does not accurately describe the behavior of sea urchins.
