

QUESTION 44 OF 44: NOT ANSWERED

---

A

NO CHANGE

It presents a word or phrase that results in a redundancy with "and other countries."

---

B

in addition.

It presents a word or phrase that results in a redundancy with "and other countries."

---

C

likewise.

It presents a word or phrase that results in a redundancy with "and other countries."

---

D

**DELETE the underlined portion, and end the sentence with a period.**

The phrase "and other countries" communicates the fact that there are additional items not being named that could be added to the list; no other wording is required to clarify that point.
