

QUESTION 39 OF 52: NOT ANSWERED

As used in line 31, "best" most nearly means

A superior.

In this context "best" does not mean superior.

B excellent.

In this context "best" does not mean excellent.

C genuine.

Stanton states that society contains hardly any women in the "best sense," and clarifies that too many women are "reflections, varieties, and dilutions of the masculine gender." Stanton is suggesting that there are few "best," or genuine, women who are not completely influenced or controlled by men.

D rarest.

In this context "best" does not mean rarest.
