

QUESTION 23 OF 44: NOT ANSWERED

A NO CHANGE

It correctly completes the noun phrase that begins with "sea otters," and directly follows the noun phrase with the verb "help."

B living along the West Coast of North America, they help

It separates the noun "otters" from the verb "help" in a way that results in a grammatically incomplete sentence.

C that live along the West Coast of North America and help to

It separates the noun "otters" from the verb "help" in a way that results in a grammatically incomplete sentence.

D that live along the West Coast of North America, where they help

It separates the noun "otters" from the verb "help" in a way that results in a grammatically incomplete sentence.
