

QUESTION 40 OF 44: NOT ANSWERED

---

A

NO CHANGE

It provides an unnecessary adverb that obscures the relationship between this sentence and the previous one.

---

B

straightforward, therefore:

It provides an unnecessary adverb that obscures the relationship between this sentence and the previous one.

---

C

straightforward, nonetheless:

It provides an unnecessary adverb that obscures the relationship between this sentence and the previous one.

---

D

straightforward:

It provides the most concise phrasing and links the sentence appropriately to the previous sentence.
