

QUESTION 10 OF 52: NOT ANSWERED

Which choice provides the best evidence for the answer to the previous question?

A lines 14–18 (“I should... scenes”)

This choice does not provide the best evidence that the narrator views his lodgings as dreary. It is incorrect because it does not provide the narrator’s opinion of his lodgings.

B lines 18–20 (“I should... lodgings”)

This choice does not provide the best evidence that the narrator views his lodgings as dreary. It is incorrect because the text describes the narrator’s lodgings only as “small.”

C lines 57–59 (“Thoughts... phrases”)

This choice does not provide the best evidence that the narrator views his lodgings as dreary. It is incorrect because it does not provide the narrator’s opinion of his lodgings.

D lines 60–65 (“I walked... gleam”)

The narrator states that he did not see the “cheering” glow of a fire in his sitting-room fireplace. This statement provides evidence that the narrator views his lodgings as dreary or bleak.
