

QUESTION 3 OF 44: NOT ANSWERED

---

A

NO CHANGE

The singular verb "has" agrees with the singular noun "trend" that appears earlier in the sentence.

---

B

have

The plural verb "have" does not agree with the singular subject "trend."

---

C

which have

The relative pronoun "which" unnecessarily interrupts the direct relationship between "trend" and the verb.

---

D

which has

The relative pronoun "which" unnecessarily interrupts the direct relationship between "trend" and the verb.
