

QUESTION 44 OF 52: NOT ANSWERED

As used in line 16, "capture" is closest in meaning to

---

A

control.

In this context "capture" does not mean to control.

---

B

record.

Researcher Tom Peacock argues that in order to create precise global climate models, scientists must be able to "capture processes" such as how internal waves are formed. In this context, to "capture" a process means to record it for scientific study.

---

C

secure.

In this context "capture" does not mean to secure.

---

D

absorb.

In this context "capture" does not mean to absorb.
