

QUESTION 14 OF 44: NOT ANSWERED

---

A

NO CHANGE

It does not contain both the appropriate possessive form of "it" and the punctuation that creates a grammatically standard sentence.

---

B

its tiniest;

It does not contain both the appropriate possessive form of "it" and the punctuation that creates a grammatically standard sentence.

---

C

its tiniest:

It provides the appropriate possessive form, "its," and a colon to introduce the identifying phrase that follows.

---

D

it's tiniest,

It does not contain both the appropriate possessive form of "it" and the punctuation that creates a grammatically standard sentence.
